In re Application of)
WURSTER et al.)
Application No. 09/363,277)
Filed: July 28, 1999)
For: Trench Capacitor with an Insulation Collar)
and Method for Producing a Trench Capacitor)

DECISION ON PETITION

This is a decision on the petition, filed on August 1, 2002, to withdraw the holding of abandonment based on failure to receive an Office action.

The petition is **GRANTED**.

This application was held abandoned for failure to respond in a timely manner to the final Office action mailed on January 9, 2002. A Notice of Abandonment was mailed on July 15, 2002.

Petitioner states that the Office action of January 9, 2002 was never received by counsel and attests to the fact that a search of the file jacket and docket records indicates that the Office action was not received. The petition includes a copy of the docket record where the non-received Office action would have been entered had it been received and docketed

In view of the above showing, the Notice of Abandonment is hereby vacated, and the holding of abandonment is withdrawn.

The application file is being forwarded to the technical support staff for Technology Center 2800 for remailing of the Office action of January 9, 2002. The period for reply will be restarted along with the remailing of the action.
